Teacher's Welcome

Jumbo! Welcome, My name is Mrs. T. Saleem also known as Mama Iyah. I provide specialized instructional services to special education students here at Kwame Nkrumah Academy. I've been at Kwame Nkrumah Academy for a little over 2 of the 3 years since the school's inception in September 2008. My classroom, the Nubian Village, is located in room 116. I'm joined by Mr. A. Morgan and Mrs. D. Walker, also known as Baba Anthony and Mama Deborah respectively, to serve the needs of students with IEPs. In alignment with beliefs of the founders of Kwame Nkrumah Academy we provide services within an environment that subscribes to an African centered philosophy which celebrates the development and affirmation of the whole child. Needless to say we strive to stimulate academic growth in a nurturing learning environment understanding that education extends to experiences that support personal, emotional, intellectual and social growth-all perquisites for academic success.

My goal is enable students to increase their academic success. I believe that through a steady diet of experiences designed to help students facilitate their own learning and thus construct knowledge the impact of deficiencies on learning will be minimized. Visit our classroom! Below are links to pictures of our classroom.

Sincerely,
Mama Iyah
Baba A.
